Status of RFC Numbers and a  
Note on Pre-assigned Journal Numbers

This is to announce that RFC numbers can now be obtained on-line through NLS at OFFICE-1; they can no longer be obtained on-line at SRI-ARC. You may still call the NIC to get an RFC number, if you do not wish to use the on-line facilities.

Also, please note that pre-assigned journal numbers (excepting RFC numbers) can be used through NLS only on the system (OFFICE-1 or SRI-ARC) from which they were taken.
