

**Do you know T<sub>E</sub>X?**

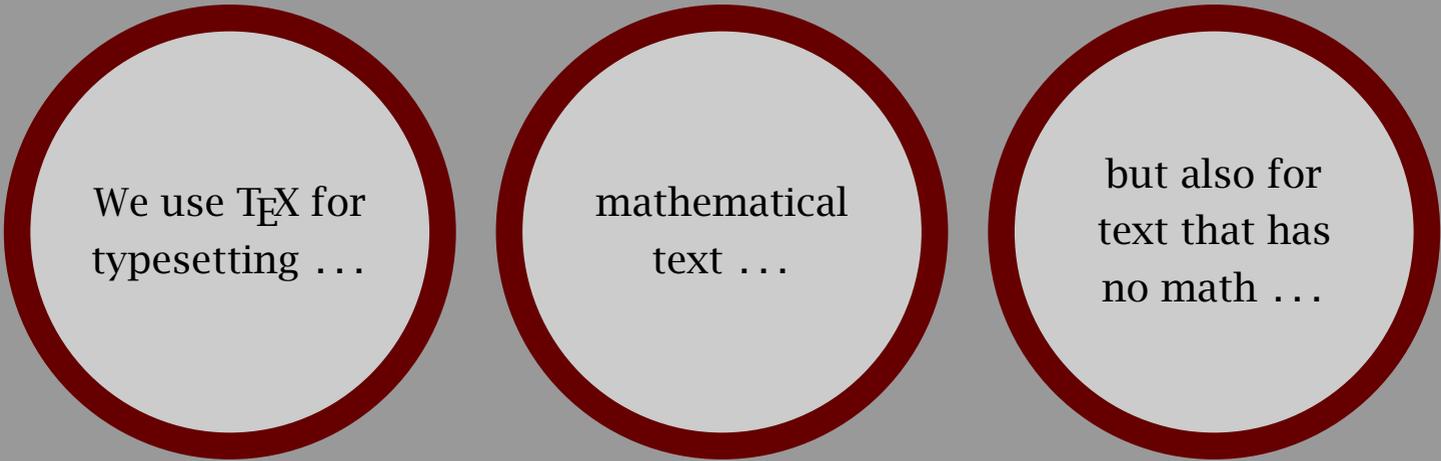

We use T<sub>E</sub>X for  
typesetting ...

We use  $\text{\TeX}$  for  
typesetting ...

mathematical  
text ...

We use  $\text{T}_{\text{E}}\text{X}$  for  
typesetting ...

mathematical  
text ...

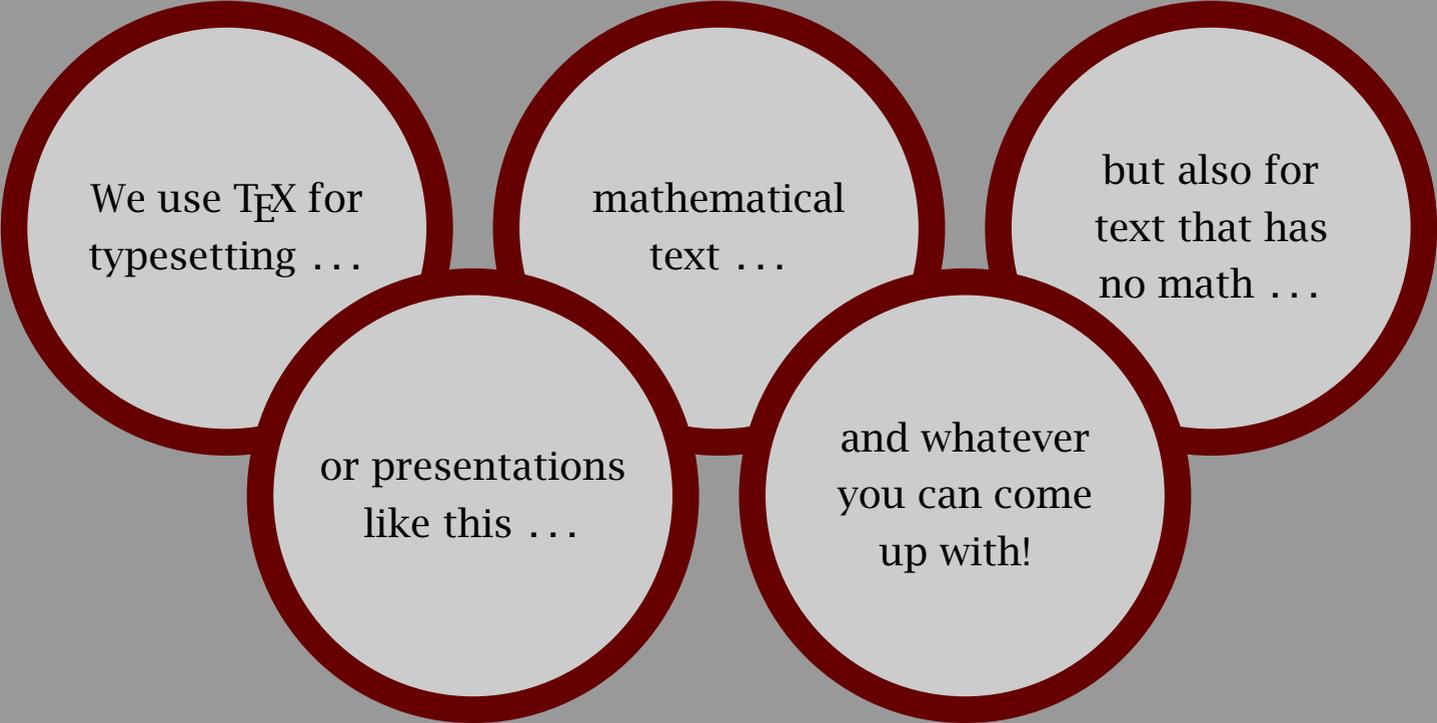

but also for  
text that has  
no math ...

We use  $\text{T}_{\text{E}}\text{X}$  for  
typesetting ...

mathematical  
text ...

but also for  
text that has  
no math ...

or presentations  
like this ...

We use  $\text{T}_{\text{E}}\text{X}$  for  
typesetting ...

mathematical  
text ...

but also for  
text that has  
no math ...

or presentations  
like this ...

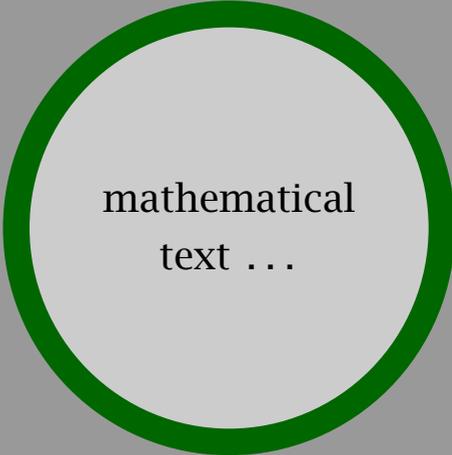

and whatever  
you can come  
up with!

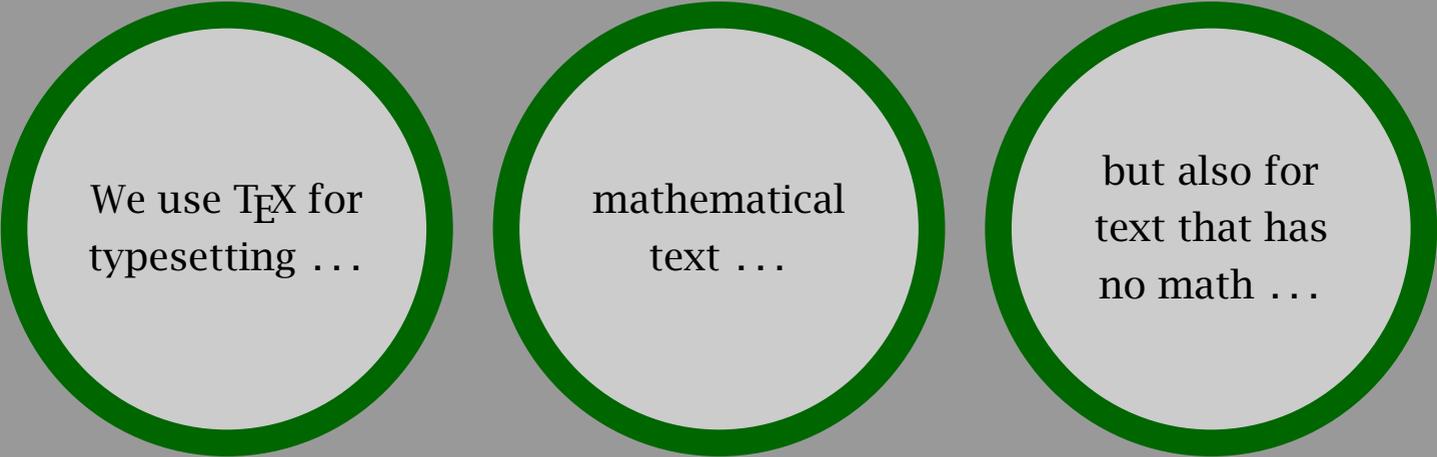

We use T<sub>E</sub>X for  
typesetting ...

We use  $\text{\TeX}$  for  
typesetting ...

you can come  
up with!

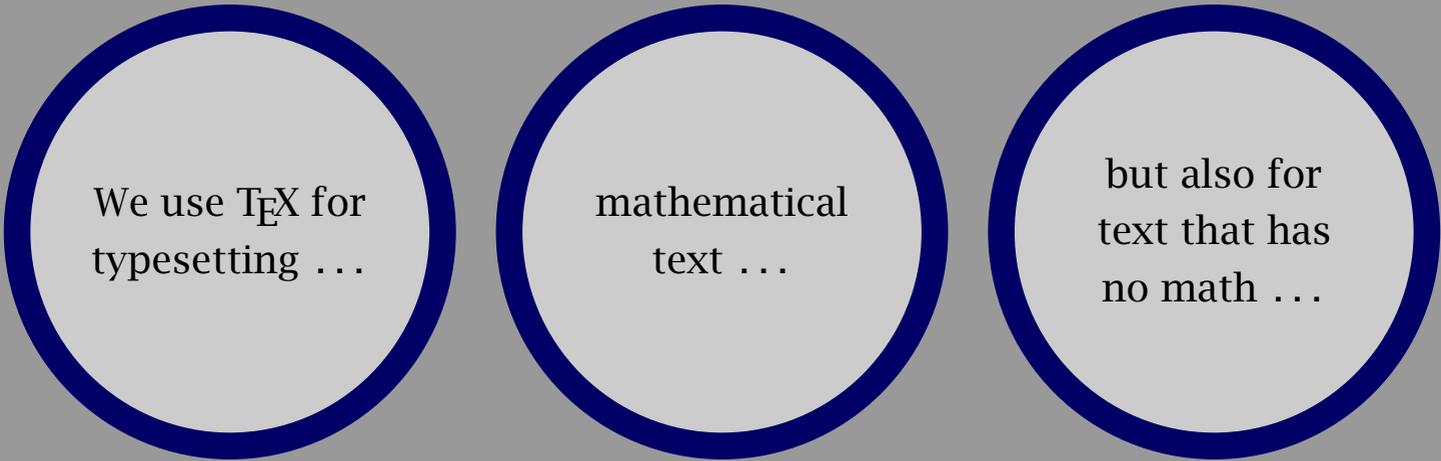

We use T<sub>E</sub>X for  
typesetting ...

We use  $\text{\TeX}$  for  
typesetting ...

mathematical  
text ...

Three circles with a thick olive-green border are arranged horizontally on a light gray background. Each circle contains text. The first circle on the left contains the text 'We use T<sub>E</sub>X for typesetting ...'. The middle circle contains 'mathematical text ...'. The third circle on the right contains 'but also for text that has no math ...'.

We use T<sub>E</sub>X for  
typesetting ...

mathematical  
text ...

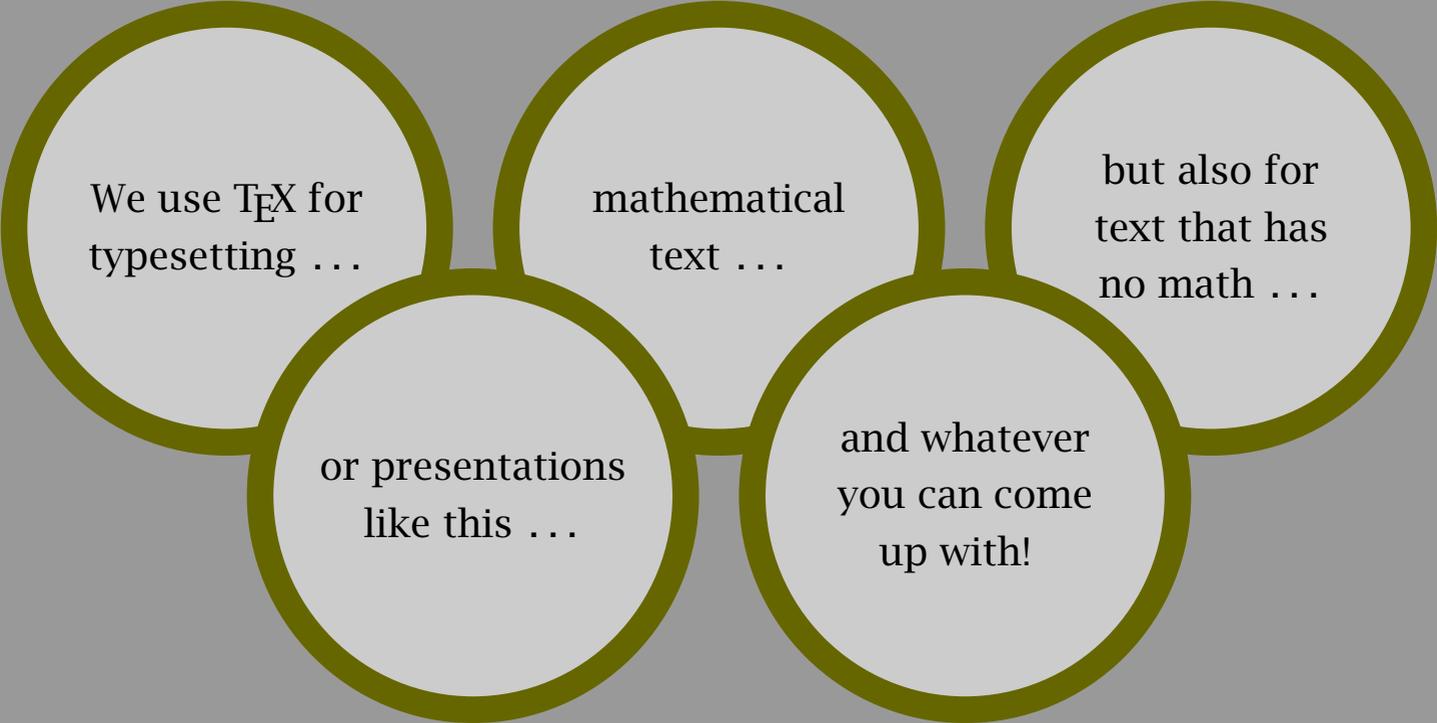

but also for  
text that has  
no math ...

We use  $\text{T}_{\text{E}}\text{X}$  for
