

ZORK™ is more than an adventure.

Zork™ is a computer fantasy of ultimate challenge. Unearthly creatures guard treasures beyond your imagination. Mazes confound your quest. So quicken your wits and pick your path carefully through the Great Underground Empire. The least likely object may be the only thing that can save your life.

Yet, you can succeed. Discover the 20 treasures of Zork, return them to the Trophy Case and leave alive. But bring all the cunning and courage you can muster. Because in Zork, they take no prisoners . . .
